**What is The 200 Club of Bergen County?** Over 40 years ago, a Detroit businessman elicited generous responses when he asked 100 business friends to contribute two hundred dollars each to the family of a young police officer who was fatally wounded in the line of duty. This was the origin of The 200 Club.

In 1985, Mr. J. Fletcher Creamer, Sr. took the lead and personally signed up the first 80 members to **The 200 Club of Bergen County**. Twenty-four years later, our club is now well over 1200 members. The Club continues to support our annual programs such as the Appropriations, Valor and Scholarship programs. We have also pledged to be there to support those families who have lost a loved one while serving in the line of duty. When faced with some of our darkest days such as the loss of five Hackensack Firefighters in 1988 to the tragedy of September 11, 2001, we had the ability to give even more.

Each 200 Club in the country is independent of the other. The 200 Club of Bergen County provides financial and emotional support to residents of Bergen County serving as law enforcement, fire and EMS personnel and their families in the event of death or serious injury in the line of duty. The 200 Club also provides support on the form of scholarships and special needs appropriations to agencies that serve and protect Bergen communities. Currently, The 200 Club of Bergen County is over 1,000 members strong and growing. Won't you join our mission?

**Anyone is welcome to join!** Membership is available to anyone interested in supporting and furthering the aims and goals of The 200 Club of Bergen County. To become a member, please complete the form below. **You may pay the annual \$250 dues by check or credit card.**
